

Northcote College Option Choices for Year 12 2017

Student Name: **Form Class:**

Your subject choices should reflect your strengths and career interests. They should include the subjects that you need for further study or training beyond school.

Two areas I am interested in looking at when I leave school are (eg: Engineering, Hospitality): 1. 2.

The subjects I need in the senior school to get into these areas of interest include (see 2017 Course Directory pages 22-23):

.....

<p><i>This means that in Year 13 I should aim to take: (list recommended subjects)</i></p> <p>.....</p> <p>.....</p> <p>.....</p>	<p><i>In Year 12 this means that my course should include:</i></p> <p>.....</p> <p>.....</p> <p>.....</p>
-----------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------

I plan to go to tertiary education in 2017 or 2020: YES / NO

- All Year 12 courses must include English (refer to the Course Directory page 7).
- It is recommended students include Mathematics and a Science at Level 2.
- Before selecting your options check the 2017 Course Directory for entry requirements to Year 12 and Year 13.
