

### *Flexible Learning Day Thursday 29 March 2018*

The Flexible Learning Day is intended to provide an opportunity for students to continue to work towards completion of learning and assessment tasks while teachers undertake professional development. At Northcote College in 2018 Flexible Learning Days replace Teacher Only Days.

On these days the school will remain open. While timetabled classes will not run, teachers will be available to students between 9am and 10am and again between 2.30pm and 3.30pm. The rest of the time teachers will be engaged in professional learning activities.

Students are able to come in to school to use wifi facilities, and other resources, to work on projects and assessments. It is possible that some subjects may offer NCEA assessments in these time slots. Details are available from subject teachers.

The other Flexible Learning Days planned for the year are:

Friday 1 June  
Thursday 6 September  
Friday 16 November
