

NORTHCOTE COLLEGE

Hē Pitopito Kōrero mō Te Whānau o Te Kākano

Te Whānau o Te Kākano is a form class for the Year 9 to 13 based on principles of tuakana teina. Over the years, the kaupapa of the whanau class has revised with input from the whānau and community.

Te Kaupapa o Te Whānau o Te Kākano

Te Whānau o Te Kākano provides a Māori pathway for students and their whānau in Northcote College to draw from the strength of their identity to achieve their academic potential.

It provides students with an opportunity to be in an environment that embraces all aspects of Tikanga and Te Reo Māori. It allows students to flourish within Te Ao Māori and the wider school.

Celebrating and maintaining identity as Māori in Te Whānau o Te Kākano, enhances the development to become confident, connected educated Tangata Whenua of Aotearoa New Zealand.

Te Whānau o Te Kākano

The whānau class is made up of students from Years 9 to Year 13.

Year 9 and 10 students will travel with mainstream classes, known as the 'travelling class', in every subject area except in their half-year options. Years 11, 12, and 13 take individual options and therefore, where possible, are placed together for support. This structure enables students to study at levels appropriate to their ability.

The Whānau class consists of 3 kaiako:

Whānau Kaiako	- Shaunee Hiha
Whānau Kaiako	- Kelli Kawhia Conrad
Student Support Worker	- Stan Conrad

Whānau staff work closely with all services involved in providing the appropriate support that meets the needs of each student for the best outcomes. Northcote College has a wide variety of support services that caters for all abilities to ensure students receive appropriate support and extension.
