*Founded 1877*

## **Year 10, 11, 12, 13 Parent Information 2022**

Nau mai, haere mai, ki Northcote College  
Welcome to Northcote College

This document is designed to introduce you to Northcote College and the way we do things.

I urge you to be involved in your child's learning. We aim to engage you in a learning focussed partnership. Please stay in touch, respond to our invitations and contact us if you need support, we are here to help.

We will work hard to have all students hold fast to decent values, enjoy life, accept responsibility, be of benefit to others and believe in their own ability to learn.

I look forward to getting to know you and recognise it is a privilege to be involved in the lives of our learners.

*Vicki Barrie*  
Principal

## School Motto

The Northcote College motto, originally in Latin, is:

**ut prosim aliis | kia manaaki te tangata | to be of service to others**

The motto serves as a reminder that we are part of a school where we work cooperatively and to the best of our abilities.

## Northcote College Values

Respect for self

Respect for others

Respect for the environment.

## Successful Learning for All

Northcote College teachers are committed to student learning. They provide inspiration, guidance and support to help students learn.

For students to get the full benefit of their teachers help, and the most out of lessons they need to:

- Arrive on time with their equipment and fully charged device ready to learn
- Focus and work co-operatively in class
- Pay attention, work hard and actively participate in lessons
- Check school emails at least once daily
- Commit to spending **up to two hours after school each day** to:
  - Complete any unfinished class work
  - Complete homework tasks and assignments
  - Organise and review the day's schoolwork
  - Note any work they don't understand so they can get help.

Doing these things will help your child learn to work independently and establish the excellent work habits needed to succeed in the senior school and learning beyond school.

## Restorative Practice

Northcote College promotes the use of restorative conversations. In essence, the key restorative steps are Reflect, Repair and Restore. Parents are asked to support and participate in this approach when issues arise.

## The 2022 Deans

The Dean is the first point of contact for parents at the School and can be contacted by telephone on 481 0148 or by email.

## Form Classes

Each student is in a form class. Each form class is named using the Form Teacher's code which is based on their surname. Students who have chosen to be part of the Whanau Class are in vertical form class with Whanau class students from other year levels.

It is intended that students stay in the same form class and that the Dean, and Form Teachers will stay with the form level throughout their time at Northcote College.

### An Important Message from the Ministry of Education and N4L

If you wish, you can set up the filter on your child's learning device from home. Clear instructions on how to do this can be found at [switchonsafety.co.nz](http://www.switchonsafety.co.nz). The free N4L safety filter blocks websites containing known cyber threats like phishing scams, malicious content and viruses, while also protecting children from content inappropriate for young eyes. Please remember that safety can't be provided by technology alone – it requires a holistic approach. You can find more information, tips and advice to support online safety at [www.netsafe.org.nz/parenttoolkit/](https://www.netsafe.org.nz/parenttoolkit/)

## Communication and Reporting

The School formally reports on student achievement at the end of Terms 2 and 4. Reports are emailed to parents/caregivers.

The Northcote College website [www.northcote.school.nz](http://www.northcote.school.nz) is a valuable source of information. Parents are also able to access current attendance and achievement information through the Parent Portal either on the website or through the school app. [Download SchoolAppsNZ and search for Northcote College]

## Blended Learning

The use of technology is integrated into classroom activities and has proven invaluable in recent years. We will continue to use multiple approaches to learning.

Using a device for learning makes it possible for students to work at a pace that suits them, to collaborate with others no matter where they are. As you are probably

aware, NCEA assessment is increasingly digital. We will be doing our students a disservice if we are not helping them to become digitally fluent in advance of facing online assessment.

Northcote College uses the Google Education Suite to allow students and parents to access relevant learning material.

Our preferred device is a compact laptop or a chromebook and recommended specifications can be found on the school website by searching 'BYOD'.

## National Certificate of Educational Achievement (NCEA)

The following information provides parents with an introduction to New Zealand's national secondary qualification, NCEA.

There are **three NCEA** levels:

**Level 1** which most students achieve in **Year 11**

**Level 2** which most students achieve in **Year 12**

**Level 3** which most students achieve in **Year 13**

NCEA is a standards-based qualification. Students receive credits when they meet the standard in an area of study.

When students achieve these standards they earn credits toward their NCEA qualification.

Each standard is worth a set number of credits. Most are worth between 2 and 6 credits but some are more.

There are two types of standard: **Achievement Standards** and **Unit Standards**.

<b>Achievement Standards</b> are assessed <b>either internally</b> (by the school) or <b>externally</b> (by examination at the end of the year). Students receive one of <b>four</b> grades for each Achievement Standard: Excellence (E) Merit (M) Achieved (A) Not achieved (NA)	<b>Unit Standards</b> are all <b>internally</b> assessed. For most unit standards students receive one of <b>two</b> grades:  Achieved (A) Not achieved (N)  NB: There are some Unit Standards that may be awarded with merit

## Course Endorsement

Course endorsement provides recognition for students who perform exceptionally well in individual courses. Students are able to have their strengths in individual courses at level 1, 2 or 3 recognised with a course endorsement at Merit or Excellence. The key objective of course endorsement is to motivate students to achieve their potential in one or more courses.

Students will gain a course endorsement where, in any one year, they achieve the majority of credits in that course at merit or higher.

## University Entrance

In 2021 requirements for university entrance were adjusted in response to Covid-19 and the interruptions to learning that occurred. For accurate and current information on university entrance requirements refer to [www.nzqa.govt.nz](http://www.nzqa.govt.nz)

We encourage able students to also enter the **New Zealand Scholarship Examinations** in Year 13. These are additional examinations for the top 3-5% of students nationwide. New Zealand Scholarship is very challenging. The best students in each subject receive financial awards. Northcote College has an exceptional number of students entering Scholarship examinations with considerable success.

## Course Requirements

## The Timetable

Northcote College runs a six day timetable. There are 30 periods over 6 days.

	Day 1	Day 2	Day 3	Day 4	Day 5	Day 6

Period 3						
Period 4						
Period 5						

The timetable is based on the days of the six day cycle not the days of the week.

## Class Times

Timetabled classes run for 1 hour each, starting at 9.00am daily, except on Wednesday.

Wednesday classes start at 9.30am with the first two lessons slightly shortened. Buses run as usual and students are welcome to access student areas including the Library and Kauri prior to classes commencing.

## Parent Portal and School App

Parents are able to view student notices as well as current attendance and achievement information for their child using the Parent Portal. A unique password will be emailed to you.

Secure payments to the school can also be made through the Parent Portal.

To access the Parent Portal go to the bottom of the school website.

To access the School App go to the bottom of the school website or download from the App Store.

We encourage you to check that the contact details we hold are correct through the Parent Portal. It is important that the school has your current contact details, email addresses and mobile phone numbers. We primarily use email and the school app to communicate with parents.

## **Study Centre / C8**

The Study Centre/C8 classroom is open each lunch time. This is the place for students to go if they need to ask a question about how to do a piece of work or how to work out a problem in any subject. A staff member is on duty each day from 12.45 to 1.25pm. Students can stay just a few minutes to ask the question or for half an hour to complete work. Sometimes a student may be referred to the Study Centre/C8 by a subject teacher if homework has not been completed and this is intended to provide them with a suitable environment and time to complete the set tasks.

## **Library**

The School Library is open daily 8am – 4.30pm for student use. An online catalogue and request system can be accessed through the school website.

## **Extra-curricular Activities**

Sport and cultural activities are an important part of the Northcote College experience. A wide range of sporting codes is offered at the College and there are many opportunities for students to be involved in other areas that interest them eg: Drama/Performance, Bands, Choir, Cultural Groups, Debating and more.

## **Absences and Appointments**

All students are expected to attend every school day. For safety reasons students must not leave the College without permission.

If your child needs to be absent from school for a period of time during the day, please advise the school via the parent portal, or email [attendance@northcote.school.nz](mailto:attendance@northcote.school.nz), giving the reason for the absence, the time of departure and estimated time of return to school. You can also give your child a note which they will need to bring to Harakeke|Student Reception, Te Korowai Aroha, before 9am. Leave passes will be arranged. Any student leaving school must pick up their leave pass from Harakeke|Student Reception, prior to leaving the school grounds.
