Welcome to Northcote College

This document is designed to introduce you to Northcote College and the way we do things.

We aim to engage you in a learning focussed partnership. Please stay in touch, respond to our invitations, and contact us if you need support. We are here to help.

We will work hard to have all students hold fast to decent values, enjoy life, accept responsibility, be of benefit to others, and believe in their own ability to learn.

I look forward to getting to know you and recognise it is a privilege to be involved in the lives of our learners.

Vicki Barrie
Tumuaki | Principal

School Motto

The Northcote College motto, originally in Latin, is:

ut prosim aliis | kia manaaki te tangata | to be of service to others

The motto serves as a reminder that we are part of a school where we work cooperatively and to the best of our abilities.

Northcote College Values

Respect for self

Respect for others

Respect for the environment.

Successful Learning for All

Northcote College teachers are committed to student learning. They provide inspiration, guidance and support to help students learn.

For students to get the full benefit of their teachers help and the most out of lessons, they need to:

- Arrive on time with their equipment and fully charged device ready to learn
- Focus and work co-operatively in class
- Pay attention, work hard and actively participate in lessons
- Check school emails at least once daily
- Commit to spending **up to two hours after school each day** to:
 - Complete any unfinished class work
 - Complete homework tasks and assignments
 - Organise and review the day's schoolwork
 - Note any work they don't understand so they can get help.
- Read

Doing these things will help your child learn to work independently and establish the excellent work habits needed to succeed in the senior school and learning beyond school.

Restorative Practice

Northcote College promotes the use of restorative conversations. In essence, the key restorative steps are Reflect, Repair and Restore. Parents are asked to support and participate in this approach when issues arise.

The 2024 Deans

The Dean is the first point of contact for parents at the School and can be contacted by telephone on 481 0148 or by email.

Form Classes

Each student is in a form class. Each form class is named using the Form Teacher's code which is based on their surname. Students who have chosen to be part of the Whanau Class are in vertical form class with Whanau class students from other year levels.

It is intended that students stay in the same form class and that the Dean, and Form Teachers will stay with the form level throughout their time at Northcote College.

Staying Safe Online

An Important Message from the Ministry of Education and N4L

If you wish, you can set up the filter on your child's learning device from home. Clear instructions on how to do this can be found at [switchonsafety.co.nz](http://www.switchonsafety.co.nz). The free N4L safety filter blocks websites containing known cyber threats like phishing scams, malicious content and viruses, while also protecting children from content inappropriate for young eyes. Please remember that safety can't be provided by technology alone – it requires a holistic approach. You can find more information, tips and advice to support online safety at www.netsafe.org.nz/parenttoolkit/

Communication and Reporting

The School formally reports on student achievement at the end of Terms 2 and 4. Reports are emailed to parents/caregivers.

The Northcote College website www.northcote.school.nz is a valuable source of information. Parents are also able to access current attendance and achievement information through the Parent Portal either on the website or through the school app. [Download SchoolAppsNZ and search for Northcote College]

Blended Learning

The use of technology is integrated into classroom activities and has proven invaluable in recent years. We will continue to use multiple approaches to learning.

Using a device for learning makes it possible for students to work at a pace that suits them, to collaborate with others no matter where they are. As you are probably aware, NCEA assessment is increasingly digital. We will be doing our students a disservice if we are not helping them to become digitally fluent in advance of facing online assessment.

Northcote College uses the Google Education Suite to allow students and parents to access relevant learning material. All students will have access to the support tools of Google Read & Write as part of our whole Kāhui Ako subscription.

Our preferred device is a compact laptop or a chromebook and recommended specifications can be found on the school website by searching 'BYOD'.

National Certificate of Educational Achievement (NCEA)

The following information provides parents with an introduction to New Zealand's national secondary qualification, NCEA.

There are **three NCEA** levels:

Level 1 which most students achieve in **Year 11**

Level 2 which most students achieve in **Year 12**

Level 3 which most students achieve in **Year 13**

NCEA is a standards-based qualification. Students receive credits when they meet the standard in an area of study.

When students achieve these standards they earn credits toward their NCEA qualification.

Each standard is worth a set number of credits. Most are worth between 2 and 6 credits but some are more.

There are two types of standard: **Achievement Standards** and **Unit Standards**.

Achievement Standards are assessed either internally (by the school) or externally (by examination at the end of the year). Students receive one of four grades for each Achievement Standard: Excellence (E) Merit (M) Achieved (A) Not achieved (NA)	Unit Standards are all internally assessed. For most unit standards students receive one of two grades: Achieved (A) Not achieved (N) NB: There are some Unit Standards that may be awarded with merit

Course Endorsement

Course endorsements provide recognition for students who perform exceptionally well in individual courses. Students are able to have their strengths in individual courses at Level 1, 2 or 3 recognised with a course endorsement at Merit or Excellence. The key objective of course endorsement is to motivate students to achieve their potential in one or more courses.

Students will gain a course endorsement where, in any one year, they achieve the majority of credits in that course at Merit or higher.

University Entrance

For accurate and current information on university entrance requirements refer to www.nzqa.govt.nz

We encourage able students to also enter the **New Zealand Scholarship Examinations** in Year 13. These are additional examinations for the top 3-5% of students nationwide. New Zealand Scholarship is very challenging. The best students in each subject receive financial awards. Northcote College has an exceptional number of students entering Scholarship examinations with considerable success.

Course Requirements

Refer to the Northcote College Course Directory for comprehensive information on the courses offered at each level. There is a flipbook on our school website. Entry to senior courses will be based on progress made in the previous year in that subject and in accordance with the Northcote College criteria for advancement.

The Timetable

Northcote College runs a six day timetable. There are 30 periods over 6 days.

	Day 1	Day 2	Day 3	Day 4	Day 5	Day 6
Period 1						
Period 2						
Period 3						
Period 4						
Period 5						

The timetable is based on the days of the six day cycle not the days of the week.

Class Times

Timetabled classes run for 1 hour each, starting at 9.00am daily, except on Wednesday.

Wednesday classes start at 9.30am with the first two lessons slightly shortened. Buses run as usual and students are welcome to access student areas including the Library and Kauri prior to classes commencing.

Assemblies

School assemblies are held weekly on Mondays.

In addition, level assemblies are held at 11.30am once a week for each year level.

Parent Portal and School App

Parents can view student notices as well as current attendance and achievement information for their child using the Parent Portal. A unique password will be emailed to you.

To access the Parent Portal, go to the bottom of the school website.

To access the School App, go to the bottom of the school website or download from the App Store.

We encourage you to check that the contact details we hold are correct through the Parent Portal. It is important that the school has your current contact details, email

addresses and mobile phone numbers. We primarily use email and the school app to communicate with parents.

Kindo payments

Kindo is our preferred online payments option. You will be able to take care of all your school payments, purchase event tickets and support fundraisers with flexible online payment options available 24/7. If you already have a myKindo account, you will be able to use the same account. There is a link to Kindo on our school website.

Study Centre / C8

The Study Centre/C8 classroom is open each lunch time. This is the place for students to go if they need to ask a question about how to do a piece of work or how to work out a problem in any subject. A staff member is on duty each day from 12.45 to 1.25pm. Students can stay just a few minutes to ask the question or for half an hour to complete work. Sometimes a student may be referred to the Study Centre/C8 by a subject teacher if homework has not been completed and this is intended to provide them with a suitable environment and time to complete the set tasks.

Library

The School Library is open daily 8am – 4.30pm for student use. An online catalogue and request system can be accessed through the school website.

Extra-curricular Activities

Sport and cultural activities are an important part of the Northcote College experience. A wide range of sporting codes is offered at the College, and there are many opportunities for students to be involved in other areas that interest them eg: Drama/Performance, Bands, Choir, Cultural Groups, Debating and more.

Absences and Appointments

All students are expected to attend every school day. For safety reasons students must not leave the College without permission.

In the event of your child being unable to attend school due to illness, please notify the Attendance Office on the morning of absence. You can use the School App, or email attendance@northcote.school.nz or phone 481 0141 extension 750 giving your child's name, form class and reason for absence.

If your child needs to be absent from school for a period of time during the day, please advise the school via the parent portal, or email attendance@northcote.school.nz, giving the reason for the absence, the time of departure and estimated time of return to school. You can also give your child a note which they will need to bring to Harakeke|Student Reception, Te Korowai Aroha, before 9am. Leave passes will be arranged. Any student leaving school must pick up their leave pass from Harakeke|Student Reception, prior to leaving the school grounds. Upon return to school the student must report back to Harakeke|Student Reception before returning to class.

Should time away from school be required for reasons other than sickness then a formal letter of request should be addressed to the Principal. It is important to note that for senior students if any final NCEA assessment is scheduled during an absence the student may forfeit the credits for that assessment.

Please refer to the Northcote College Assessment Policy in Practice
[<https://www.northcote.school.nz/our-school/students/ncea>].

Te Ratonga Hauora | Wellness Centre

Northcote College has a Registered Nurse on duty in the Te Ratonga Hauora|Wellness Centre between 9am and 3.30pm daily. **For safety reasons students who become unwell at College must report to the nurse and must not leave the College without permission.** Parents will be contacted if the student requires further medical assistance or needs to be collected.

2024 School Calendar

A *Year Planner* is provided at the end of this document. Please note that it is likely that through the course of the year there will be additional events and activities involving your child, and some scheduled events may change. Please always refer to the blue Announcements box on the school website for updated information, news and events.

The School App is also used to notify students and caregivers of changes to scheduled events.

Teacher Only Days

There are no timetabled classes on Teacher Only Days. Teachers are involved in professional learning all day.

Flexible Learning Days

There are no timetabled classes on Flexible Learning Days.

On Flexible Learning Days the school will be open for students to use the Library and wifi, or they can remain at home and work independently on course work and assignments. Teachers will be available in their classrooms, or online, 9am – 10am and 2.30 – 3.30pm to answer student questions and provide assistance.

Northcote College has one scheduled Flexible Learning Day (FLD) per term. The first FLD will be on 22 March 2024. Further dates will be notified via email and the website.

School Expectations

The Northcote College Code of Expected Behaviour is based on respect. The expectations are designed to ensure that an atmosphere of hard work, courtesy and concern for others is maintained. A copy of the Northcote College expectations is included at the end of this document and is also available on our school website.

Uniform Expectations

It is expected that Northcote College students (Year 9 – 12) will wear correct uniform. A copy of the Uniform Guidelines is provided at the end of this document. We rely on parents/caregivers to support our expectations.

Personal Property

It is important to name all items a student wears or brings to school so that anything misplaced can quickly and easily be returned to the owner. If clothing items or valuables are lost then the student should visit the Harakeke | Student Reception, Te Korowai Aroha, where items are held.

Students are responsible for their personal property. The school is unable to take responsibility for loss or damage.

Phones

We care about our students having the best learning experiences at our school; this is our priority. In our Code of Expected Behaviour, it states: *A mobile phone is a device designed for communication and quick reference and it is expected that in the classroom, mobile phones will be turned off/on silent and be kept out of sight – unless specific permission has been given by the teacher.*

At the start of lessons, teachers will remind students to have their phones off and away in their bags. If a student has their phone visible, it will be confiscated and taken to the main office for you, the parent/caregiver, to collect. We hope this will support students who are yet to develop self-management skills around appropriate phone use to make good decisions and focus fully on learning in class.

ID Cards

A Student ID card is available for purchase from Harakeke | Student Reception, Te Korowai Aroha, and costs \$8.50. The ID card supports discounts for public transport etc.

Buses

Students are encouraged to use AT Hop Cards on buses. Loading the AT Hop Card with the secondary student concession represents a significant saving. For details go to: www.at.govt.nz.

Please ensure AT Hop cards are named to avoid replacement card costs.
