## **Welcome to Northcote College**

This booklet is designed to introduce you to Northcote College and the way we do things.

The School was founded in 1877 and is the oldest secondary school on the North Shore. Northcote College has a proud tradition of academic excellence and we work to ensure students are well equipped to be successful lifelong learners.

In today's world, and the world of the future, being digitally fluent is particularly important. It is the expectation that every student comes to school with an electronic device suitable for use in a learning environment. Blending technology into learning improves the ability of students to work at a pace that suits them and to collaborate with others. It also enhances teachers' opportunities to individualise learning. Details of device specifications are contained within this booklet.

Students at Northcote College are expected to work hard and to always do their very best academically. In addition, we encourage all students to participate in the hugely valuable co-curricular opportunities available through the school.

I look forward to getting to know you and encourage you to be involved in your child's learning during their time at Northcote College.

Ms V Barrie  
Principal

## **School Motto**

The Northcote College motto is **UT PROSIM ALIIS**.

The Latin can be translated in a number of different ways:

- That I may be of service to others
- Let me be of service to others
- To help others

In Māori this would be: **KIA MANAAKI TE TANGATA**

For Year 9 students the motto serves as a reminder that they are part of a school where we work cooperatively and to the best of our abilities.

## **What ERO says about Northcote College**

The following extracts are taken from the latest (2016) ERO Report on Northcote College:

*Students at Northcote College benefit from a well designed, responsive curriculum that promotes high levels of achievement and engagement. School goals drive improvement for all learners. Strong governance and leadership, effective teaching, and partnerships with parents and the community enhance learning outcomes for students.*

*Through its vision of 'Successful Learning for All' the school aspires to provide young people with an educational experience where they are challenged and supported to develop the skills and knowledge to become lifelong learners. A culture of high expectations for academic achievement is balanced with an inclusive focus on student wellbeing and equity.*

*An inclusive, student-centred culture and positive respectful relationships support the board, school leaders and staff to continue the school's growth as a dynamic learning community.*

ERO last visited the school in September 2016. The full report can be accessed at [www.ero.govt.nz](http://www.ero.govt.nz) and on the school website.

## **Northcote College Values in Practice**

Respect for self, Respect for others, Respect for the environment.

### **Successful Learning for All**

Northcote College teachers are committed to student learning. They deliver lessons and provide the guidance and the best assistance they can to help all students learn.

In order for Year 9 students to get the full benefit of their teacher's help and the most out of lessons they need to:

- Arrive on time with their equipment ready to learn
- Focus and work cooperatively in class
- Pay attention, work hard and actively participate in lessons
- Check school emails at least once daily
- Commit to spending **at least one hour after school each day** to:
  - Complete any unfinished class work
  - Complete homework tasks and assignments
  - Organise and review the day's school work
  - Note any work they don't understand so they can get help

Doing these things will help your child learn to work independently and establish the excellent work habits needed to succeed in the senior school and learning beyond school.

### **Resources for Parents**

Useful general information and advice for parents of secondary school students can be found on these websites:

[www.parents.education.govt.nz](http://www.parents.education.govt.nz)

[www.netsafe.org.nz](http://www.netsafe.org.nz)

[www.switchonsafety.co.nz](http://www.switchonsafety.co.nz)

### **Restorative Practice**

Northcote College promotes the use of restorative conversations. Year 9 students receive training in this method of conflict resolution as part of their Peer Support Programme and in the Appropriate Behaviours Course. In essence, the key restorative steps are Reflect,

Repair and Restore. Parents are asked to support and participate in this approach when issues arise.

### **Communication and Reporting**

The Northcote College website [www.northcote.school.nz](http://www.northcote.school.nz) is a valuable source of information. Parents are also able to access current attendance and achievement information through the Parent Portal either through the website or the school app. [Download SchoolAppsNZ and search for Northcote College]

The School formally reports to parents on student achievement throughout the year.

Please ensure that the school has your current contact details including mobile phone numbers and email addresses. We primarily use email and the school app to communicate with parents.

### **Electronic Devices for Learning**

We expect every student to come to school with a fully charged device for learning every day. For us the decision to do this is about the advantages to learning. It is not about the tool. The use of technology is integrated into classroom activities and we will continue to use multiple approaches to learning.

Using a device for learning makes it possible for students to work at a pace that suits them, to collaborate with others no matter where they are. As you are probably aware, NCEA assessment is going digital. We will be doing our students a disservice if we are not helping them to become digitally fluent in advance of facing online assessment.

Northcote College uses the Google Education Suite to allow students and parents to access relevant learning material.

Our preferred device is a compact laptop or a chromebook but if students already have a tablet (ipad or android) they could use that - although there may be times when a tablet is not suitable for a particular learning activity.

We recommend:

Chromebook - These rely on an internet connection to work. The software (apps) available all run through an internet connection. It is not possible to install additional software on a chromebook. Expect to pay between \$550- \$650.

*Or*

Compact Laptop - Laptops are a full computer, with a hard drive and the ability to install software, making them more versatile. Expect to pay between \$600-\$850 unless you choose to purchase an Apple device.

Solid State drives are much faster than Hard Disk drives but add about \$150 to the price of the laptop.

#### SPECIFICATIONS:

*Wireless:* Must be dual-band capable, and state that it has a/g/n or a/b/g/n or a/b/g/nh/ac

*Battery Life:* Should last 5-6 hours to be able to get through a school day without recharging.

*RAM:* Should be 4GB or more; more is better

*Screen Size:* Minimum 7 inches

*Weight:* Should be light enough for your son/daughter to carry around all day, anything more than 1.5kg including the case might be too heavy.

*CPU:* Faster is usually better. Ideally quad core processor (do not get dual core). Discuss your needs with the supplier.

*Robustness:* Your device should be strong enough to survive a fall onto a hard surface. A water resistant, padded neoprene pocket or similar will reduce the risk of damage in most cases.

*Insurance:* While we take care to protect student property, we cannot accept responsibility for devices lost or stolen, so make sure it is covered for these possibilities. We recommend you check that your household contents insurance policy covers accidental damage to a student device at school.

*Warranty:* Minimum warranty is 1 year.

## **Year 9 Dean**

The Year 9 Dean in 2021 is Antonia Williams. Miss Williams is the first point of contact for parents at the School and can be contacted by telephone on 4810141 or by email on [wlm@northcote.school.nz](mailto:wlm@northcote.school.nz)

## **Year 9 Course Requirements**

All Year 9 students will:

- study English, Mathematics, Social Studies, Science, Physical Education and Health, Food Technology and Digital & Creative Technologies.
- experience each of The Arts choosing one as a focus for a half year option course from: Art/Drama/Music
- experience technology subjects choosing two from: Electronics/Fashion & Textiles/Design & Visual Communication (formerly known as Graphics)/Hard Materials Technology
- experience a language subject choosing one from: Te Reo Māori/Chinese/French/Japanese/Spanish/ESOL/Literacy Support

## **Year 9 Form Classes**

Students are placed in a Form Class. Each Form Class is named using the Form Teacher's code which is based on their surname. Students who are part of the Whanau Class are in a vertical form class with Whanau class students from other year levels.

It is intended that students stay in the same Form Class and that Miss Williams and the Year 9 Form Teachers will stay with the form level throughout their time at Northcote College.

## **The Timetable**

Northcote College runs a six day timetable and is based on five one hour periods per day. There are 30 periods over 6 days.

	<b>Day 1</b>	<b>Day 2</b>	<b>Day 3</b>	<b>Day 4</b>	<b>Day 5</b>	<b>Day 6</b>
<b>Period 1</b>						
<b>Period 2</b>						
<b>Period 3</b>						
<b>Period 4</b>						
<b>Period 5</b>						

The timetable is based on the days of the six day cycle not the days of the week.

## **Class Times**

Timetabled classes run for 1 hour each, starting at 9.00am daily, except on Wednesday.

Wednesday classes start at 9.30am with the first two lessons slightly shortened. Buses will run as usual and students are welcome to access student areas including the Library prior to classes commencing.

## **Assemblies**

School assemblies are held weekly on Mondays; senior students at 11.30am and junior students at 12.10pm.

In addition level assemblies are held at 11.30am as follows:

Tuesday      Year 9  
Wednesday   Year 10  
Thursday     Year 11  
Friday        Year 12

The Year 13 levels assembly is held on a Timetable Day 3 (unless Day 3 falls on a Monday).

## **Parent Portal**

Parents are able to review current attendance and achievement information for their child using the Parent Portal. A unique password will be provided for each family.

## **Homework Centre**

The Homework Centre is open each lunch time in C8. This is the place for students to go if they need to ask a question about how to do a piece of work or how to work out a problem in any subject. There will be a staff member on duty each day from 12.45 to 1.25pm. Students can stay just a few minutes to ask the question or for half an hour to complete work. Sometimes a student may be referred to the Homework Centre by a subject teacher if homework has not been completed and this is intended to provide them with a suitable environment and time to complete the set tasks.

## **Library**

The School Library is open daily 8am – 4.30pm for student use.

## **Extra-curricular Activities**

Sport and cultural activities are an important part of the Northcote College experience. A wide range of sporting codes is offered at the College and there are many opportunities for students to be involved in other areas that interest them eg: Drama/Performance, Jazz Band, Choir, Cultural Groups and more.

## **Attendance**

All students are expected to attend all timetabled classes while at school unless otherwise directed by a staff member. For safety reasons students must not leave the College without permission.

If your child must be absent from school for a period of time during the day please send a note, preferably with the appointment card, to request a leave pass, giving the reason for absence, the time of

departure and estimated time of return to school. The student needs to bring this note to the Student Reception in Te Korowai Aroha before 9am, or at Form Time to obtain a 'leave pass' which then allows them to leave class at the appropriate time and go straight to their appointment. Upon return to school the student reports to the Student Reception before returning to class.

In the event of your child being unable to attend school due to illness please notify the Attendance Office on the morning of absence. You can use the school app, or email [attendance@northcote.school.nz](mailto:attendance@northcote.school.nz), or phone 481 0141 extension 750 and advise your child's name, form class and reason for absence.

Should time away from school be required for reasons other than sickness (for 3 days or longer) then a formal letter of request should be addressed to the Principal, preferably four weeks in advance of the anticipated leave.

### **Wellness Centre – Te Ratonga Hauora**

Northcote College has a Registered Nurse on duty in the Wellness Centre between 9am and 3.30pm daily. **For safety reasons students who become unwell at College must report to the nurse and must not leave the College without permission.** Parents will be contacted if the student requires further medical assistance or needs to be collected.

### **2021 Year Planner**

Term dates are included in the back of this booklet. A *Key Dates* for Year 9 summary is included on page 14. Please note this planner is accurate as at October 2020. It is likely that throughout the course of the year there will be additional events and activities involving your child, and some scheduled events may change. Please refer to the school website for updated information, news and events.

In addition to professional learning days required by the Ministry of Education (MOE), Northcote College has one scheduled Flexible Learning Day per term (26 March, 4 June, 2 September and 12 November). There are no timetabled classes on the Flexible Learning Days. The school will be open for students to use the Library and wifi, or they can remain at home, and work independently on course work and assignments. Teachers will be involved in professional learning on these days but will be available in their classrooms, or online, 9am – 10am and 2.30 – 3.30pm to answer student questions and provide assistance.

### **School Rules**

The Northcote College Code of Expected Behaviour is based on respect. The rules are designed to ensure that an atmosphere of hard work, courtesy and concern for others is maintained. A copy of the Northcote College expectations is included at the back of this booklet.

### **Uniform**

It is expected that Northcote College students (Year 9 – 12) will wear correct uniform with pride. A copy of the Uniform Guidelines is provided at the back of this booklet.

### **ID Cards**

The Student ID card is necessary for the issue of books from the school library. A current Student ID also supports discounts for public transport etc. Class photos and photos for ID cards will be taken on Friday 19 February 2021. \$8 is payable for the ID cards which will be available within 2-3 weeks.

Students are encouraged to use AT Hop Cards on buses. We strongly recommend the card is registered and loaded with the secondary student concession. For details go to: [www.at.govt.nz](http://www.at.govt.nz)

*Please ensure cards are named to avoid replacement card costs.*

## **Stationery**

All students are required to bring an electronic device suitable for learning (eg compact laptop, chromebook).

We encourage purchase of school stationery through the Office Max My School website [<https://www.myschool.co.nz/>]. Alternatively the 2021 stationery information will be available on the Northcote College website.

## **Personal Property**

It is important to name all items a student wears or brings to school so that anything misplaced can quickly and easily be returned to the owner. If clothing items are lost then the student should visit the Student Reception, Te Korowai Aroha, where items are held.

Students are responsible for their personal property. The school is unable to take responsibility for loss or damage.

## **Buses**

Contact Auckland Transport on (09) 09 366 6400 or website at [www.at.govt.nz](http://www.at.govt.nz). Students are encouraged to use AT Hop Cards rather than cash on buses. Loading the AT Hop Card with the secondary student concession represents a significant saving.

## Year 9 2021

All Year 9 students will

- complete a full year course in: English, Mathematics, Social Studies, Science and Physical Education and Health
- be exposed to short (eg: 1 term) compulsory courses in: Food Technology, DCT, and the Arts
- study option subjects from: The Arts, Technology and Languages

### **OPTION SUBJECTS**

The option structure is designed to keep student courses as broad as possible. Students are able to choose courses from The Arts, Technology and Languages.

### **THE ARTS**

Every Year 9 student will be exposed to each of the Arts subjects.

The student chooses ONE half year option from: Art, Music and Drama.

The other two Arts subjects not selected will be taught in short modules as part of the core programme. For example a student may choose to study Art as a half year option and so in addition will complete a one term module in each of Music and Drama.

### **TECHNOLOGIES**

Every Year 9 student will be exposed to four Technology subjects including a compulsory module in Food Technology and Digital & Creative Technology, and two others of their own choosing.

This means that every Year 9 student will choose TWO short Technology options from: Design & Visual Communication, Fashion & Textiles, Hard Materials Technology and Electronics.

### **LANGUAGES**

Every student is encouraged to study a language (Te Reo Māori, Chinese, French, Japanese or Spanish) in Year 9. Each language course runs for the full year.

**or**

Year 9 students who do not wish to study a language may choose English for Speakers of Other Languages or literacy support.

### **EXTENSION**

Students identified as gifted and talented through school reports and standardised testing are periodically offered short enrichment modules in a range of disciplines. There are also other opportunities offered through extra-curricular groups such as Debating, Robotics, Maths Inspired Group, Writers Group etc.

## Cybersafety Background Information for Parents and Students

This background information may be helpful as you read through and discuss the cybersafety use agreement with your son/daughter.

These are the sixteen rules to help keep students cybersafe as outlined in the cybersafety use agreement that you and your son/daughter have been asked to sign.

- 1. I cannot use the school ICT equipment or wifi until my parent and I have signed the use agreement and it has been returned to school.**

*All students must have a use agreement signed by themselves and their parent. Use agreements are an essential part of cybersafety policy and programmes for schools and other organisations.*

- 2. If I have my own user name, I will log on only with that user name. I will not allow anyone else to use my user name.**

*The user name is the unique identity by which the network recognises an individual. There are never two users with the same user name and this allows the school to track the activity of any student. A user name could be misused if a student's password was known and then used by others.*

- 3. I will not tell anyone else my password.**

*Passwords perform two main functions. Firstly, they help to ensure only approved persons can access the school ICT facilities. Secondly, they are used to track how those facilities are used. Knowing how the equipment is being used and by whom, helps the school to maintain a cybersafe environment for all users, and teaches the student the importance of personal security.*

- 4. While at school or at a school related activity, I will not have any involvement with any ICT material or activity which might put myself or anyone else at risk (e.g. bullying or harassing).**

*Unfortunately, along with many benefits, technology has also provided new ways to carry out anti-social activities. Bullying and harassment by text message, for example, is becoming a major problem in New Zealand and in many other countries. Often students become involved in these acts through peer pressure, without thinking of the consequences.*

- 5. I understand that I must not at any time use ICT to upset, offend, harass, threaten or in any way harm anyone connected to the school or the school itself, even if it is meant as a joke.**

*Harassing or bullying others will not be regarded as a joke by the school.*

- 6. I understand that the rules in this agreement also apply to mobile phones. I will only use my mobile phone(s) at the times that I am permitted to during the school day.**

*A mobile phone is a device designed for communication and quick reference and it is expected that in the classroom, mobile phones will be turned off/on silent and be kept out of sight – unless specific permission has been given by the teacher.*

**7. I understand that the Internet at school is for educational purposes.**

*There must be an educational purpose for students to be online or accessing the Internet at school.*

**8. While at school, I will not:**

- a. **Initiate access, or attempt to access age restricted, or objectionable material.**
- b. **Download, save or distribute such material by copying, storing, printing or showing to other people.**
- c. **Make any attempt to get around, or bypass security, monitoring and filtering that is in place at our school.**

*The school has a number of steps in place to prevent students accessing inappropriate, age-restricted or illegal material. The students also have an individual role to play in this process by not attempting to access information they know will not be acceptable at school. Disciplinary procedures will result if a student is attempting to bypass school Internet filtering or security systems.*

**9. If I accidentally access inappropriate material, I will not show others. I will close or minimise the window and report the incident to a teacher immediately.**

*Because anyone at all can publish material on the Internet, it does contain material which is inappropriate, and in some cases illegal. The school has taken a number of steps to prevent this material from being accessed. However, there always remains the possibility that a student may inadvertently stumble across something inappropriate. Encouraging the student to tell a teacher immediately if they find something which they suspect may be inappropriate, encourages critical thinking and helps students to take responsibility for their actions and keep themselves and others safe. This way, they contribute to the cybersafety of the school community.*

**10. I understand that I must not download any files such as music, videos, games or programmes without the permission of a teacher. This makes sure the school complies with the Copyright Act 1994. I also understand that anyone who infringes copyright may be personally liable under this law.**

*Many files available on the Internet are covered by copyright and although they can be easily downloaded, it may be illegal to do so. Sometimes these files can contain malicious content such as viruses, spyware programs or even inappropriate, age restricted or illegal material.*

**11. I understand that these rules apply to any privately owned ICT equipment/device (such as a laptop, mobile phone, USB drive) I bring to school or a school related activity. Any images or material on such equipment/devices must be appropriate to the school environment.**

*Students need to be aware that if they bring any ICT device to school or to a school related event, then all stored content on it must be acceptable and appropriate for the school environment.*

**12. Before I put any personal information online, about myself or any other person, I will ask my teacher's permission. I will also get permission from any other person(s) involved.**

*This reduces the risk of students being contacted by someone who wishes to upset or harm them, or use their identity for purposes which might compromise student's privacy or security online.*

13. I will respect all school ICT and treat ICT equipment/devices with care. This includes not intentionally disrupting the smooth running of any school ICT system, not attempting to hack or gain unauthorised access to any system, following all school cybersafety rules, not joining in if other students choose to be irresponsible with ICT, and reporting any breakages/damage to a staff member.

*In addition to promoting student safety, the rules help the school to protect the considerable investment made in expensive ICT equipment. Intentionally disrupting ICT systems will be seen by the school as intentionally setting out to disrupt the learning of others. Students should not consume food or drink while using school ICT equipment.*

14. I understand that the school may monitor traffic and material sent and received using the school's ICT network. The school may use filtering and/or monitoring software to restrict access to certain sites and data including email.

*The school has an electronic monitoring system that has the capacity to record Internet use, including user details, time, date, sites visited, length of time viewed and from which computer/device. The school may also use filtering to restrict access to certain sites.*

15. I understand that the school may audit its computer network, Internet access facilities, computers and other school ICT equipment/devices or commission an independent forensic audit. Auditing of the above items may include any stored content, and all aspects of their use, including email.

*In an audit, all material, files and emails could be checked by the school.*

16. I understand that if I break these rules, the school may need to inform my parent(s). In serious cases the school may take disciplinary action against me. I also understand that my family may be charged for repair costs. If illegal material or activities are involved, it may be necessary for the school to inform the police.

*Depending on the seriousness of the breach, possible school responses could include one or more of the following: a discussion with the student, informing parent(s), loss of ICT privileges, the family possibly having responsibility for repair/replacement costs, the school taking disciplinary action.*

**\*The term 'parent' used throughout this document also refers to caregivers and legal guardians.**

**An Important Message from the Ministry of Education and N4L**

If you wish, you can set up the filter on your child's learning device from home. Clear instructions on how to do this can be found at [switchonsafety.co.nz](https://switchonsafety.co.nz). The free N4L safety filter blocks websites containing known cyber threats like phishing scams, malicious content and viruses, while also protecting children from content inappropriate for young eyes. Please remember that safety can't be provided by technology alone – it requires a holistic approach. You can find more information, tips and advice to support online safety at [www.netsafe.org.nz/parenttoolkit/](https://www.netsafe.org.nz/parenttoolkit/)

# Code of Expected Behaviour

*Northcote College values are Respect for Self / Others / the Environment. Principles of restorative practice are followed and there is an emphasis on positive behaviour for learning.*

## **ATTITUDE TO OTHERS**

We are courteous and show respect in all our dealings with others.

- Disruptive behaviour will not be tolerated.
- Physical violence, sexual harassment, bullying and/or verbal abuse will not be tolerated.
- Material which is homophobic, racist, sexual, sexist or violent must not be brought to school.

We always represent the school in a positive manner. This means:

- Students will abide by fair play rules when playing sport.
- Northcote College uniform will be worn correctly and with pride. (Refer to Uniform Guidelines)

## **ATTENDANCE**

- Students are expected to be at school 5 minutes before the start of the first lesson.
- Students arriving after the start of period 1 are expected to sign in at Student Reception.
- To attend an appointment outside school an appointment card or note from a parent is required to obtain an exit slip from Student Reception.
- Students who become unwell during the school day must report to the nurse and must not leave the College without permission. Appropriate arrangements will be made to care for the student or for collection by parents.

## **RESPECT FOR THE ENVIRONMENT**

- This means that students are expected to treat school property and the property of others with respect.
- Students are responsible for their personal property. No responsibility is taken by the school for loss or damage.
- Students will not take or use the property of another student without permission.
- Students will bring to class all required materials and equipment.
- Laptops, chromebooks, tablets and headphones are required for learning at school but devices must be switched off and headphones removed when requested by the teacher.
- A mobile phone is a device designed for communication and quick reference and it is expected that in the classroom, mobile phones will be turned off/on silent and be kept out of sight – unless specific permission has been given by the teacher.

## **INTELLECTUAL PROPERTY**

- The work submitted for assessment must be original.
- All resources used in an assessment are to be itemised within a reference list or bibliography. (Refer to Northcote College Assessment Policy in Practice)
- To comply with the Copyright Act 1994 students are not to download any files such as music, videos, games or programmes.

## **PROHIBITED ITEMS**

- Northcote College is a smoke, drug and alcohol free school.
- We strive for a safe environment free of any hazardous and/or potentially dangerous substances and objects. This means:
  - a. Substances or articles that are likely to be harmful (matches, fireworks, offensive weapons, knives etc.) must not be brought to College.
  - b. Smoking and the possession of smoking equipment is forbidden.
  - c. Possession and/or consumption of alcoholic liquor is forbidden.
  - d. Drug usage and possession for use other than for a diagnosed medical condition is forbidden.
  - e. Permanent markers, chewing gum and aerosol cans are forbidden.

*If there is a suspicion that a student has broken any of the above rules the school reserves the right to search personal property in accordance with Ministry of Education search and seizure guidelines.*

## Uniform Guidelines

*We expect Northcote College uniform will be worn correctly and with pride.*
