

Northcote College Option Choices for Year 13 2019

Student Name: **Form Class:**

Your subject choices should reflect your strengths and career interests. They should include the subjects that you need for further study or training beyond school.

I plan to go to tertiary education in 2020 or 2021: YES / NO

Two areas I am interested in looking at when I leave school are (eg: Engineering, Hospitality): 1. 2.

The Year 13 subjects that I need to get into these areas of interest include (see 2019 Course Directory pages 22-23):

- All students must select a full-time course of five subjects which may include subjects from another senior level (refer to the Course Directory page 8).
- With the approval of the Dean, in exceptional circumstances, some students may enter 6 subjects.
- Before selecting your options check the 2019 Course Directory for entry requirements to Year 13 and the UE requirements (page 19).
